*Final radiology consultation reports are typically available within one business day from the date they are received by the radiology department. If you are mailing analog images, please allow two-three additional business days for us to receive the images in the mail. Please contact our radiology office if there is urgency in receiving the results so that we may prioritize your consult. If you do not receive a report within the expected timeframe, please do not hesitate to contact the radiology office to ensure your consult has been received.*
